

YUMA LOCAL AND PERSONAL NEWS OF IMPORTANCE

Not many people able to attend will miss the Campbell Republican rally at the Yuma Theatre tonight at 8 o'clock. The Fourteenth infantry band will supply the music.

The Halloo'en Masquerade party held at the Baptist Church was a splendid success and many young folks from Yuma attended.

For the first time in 25 years, Pioneer J. N. Gaines of Tombstone, Cochise county, stopped over here yesterday.

J. W. Kinney at the Yuma Drug Store will receive the election returns and flash them on a screen stretched across Main street. Such is the plan if the public will assist in the cost of the service. See Mr. Kinney and sign for whatever amount you are disposed to give.

Owing to the big Republican rally at the Yuma Theatre next Monday night the Fourteenth infantry band concert scheduled for that time will be given instead at the Republican Rally. No meeting is complete without this popular band it seems.

A valuable horse, the property of G. F. Motta of the lower valley, was injured in a collision with an auto at Somerton Tuesday and is recovering nicely under the care of Veterinarian Milo Moser.

The Methodist Ladies will give a chicken dinner election day.

J. H. Brown and wife, parents of Mrs. Mulford Winsor, are here from Tucson.

H. E. Matthews, candidate for superintendent of public instruction, is in the city and in company with County Attorney Coleman, was busy shaking hands with hosts of friends here. The taxpayers' interests will be safe in the hands of an experienced and conscientious educator of Mr. Matthews' type.

The state Democrats held enthusiastic rallies yesterday at Gadsden, Somerton and Yuma. Governor George W. P. Hunt and Congressman Carl Hayden were at their best and missed nothing by way of explanation of their conduct of the people's affairs.

If anybody's campaign statement counts then the women ought to vote for Hughes for president, because he is pledged to do all in his power to pass the National Woman's Suffrage amendment. The Examiner believes Mr. Hughes will keep his pledge. President Wilson has made no such promise.

Remember, Examiner readers, south, north, east and west, that there will be low rates on the railroads to the Yuma County Fair next week.

Wilson, he stands pat. Hughes thinks he is it. Bryan has dropped out, but People's still makes his own Candidates and they are the best in the city. 189 t. f.

William Kryger, nominee for the state senate has no political axe to grind. His motto for legislation is the best for all the people and for the entire state. Voters who favor such principles should see that they place a cross after his name on the ballot on November 7. 192-95

MANY ANIMALS WITH CARNIVAL AT YUMA FAIR

There are few people who are not interested in wild animals, and there are still fewer people who do not admire the beauties of the true forest bred lion and his massive head and tawny mane, his sinewy and muscular limbs and his lithe and graceful body.

There are several splendid specimens of the genuine forest bred African and Nubian lion at the trained wild animal show with the Great Wartham Shows, which will be one of the features of the Fair to be held here next week, and these and other specimens of tropical fauna have all been trained to perform. Mixed groups of lions, tigers, bears and other monsters of the forest and jungles will all be seen with their trainers in the large steel arena at the Animal Show on the Midway at the Yuma County Fair and those who are lovers of animal life or students of natural history will find ample scope for observation and study as well as an opportunity of enjoying a really thrilling and sensational entertainment of an educational and instructive variety. The Carnival begins on Monday evening and will continue all during the coming week with performances at the various shows every afternoon and evening.

William Kryger has no personal or political ends to subserve, if elected to the senate. Vote for him. 192-95

H. E. PEOPLES.

Farmer William Kryger will look after the farmers' best interests in the senate, if elected. He should receive the solid vote of the farmers in Yuma county. 192-95

Why was it that following your inauguration, March, 1913, factories throughout country began to close down and continued to close down until Germany's declaration of war upon Serbia?

Kindly state some reason why, when European war is over, factories closed by Underwood law during first 16 months of your administration will not close down again.

You say you kept us out of war. From March, 1913, to August, 1914, you kept us out of work. If Kaiser Wilhelm kept out of war, would we not be out of work yet?

Now Lookout.

When a cold hangs on as often happens, or when you have hardly gotten over one cold before you contract another, lookout for you are liable to contract some very serious disease. This succession of colds weakens the system and lowers the vitality so that you are much more liable to contract chronic catarrh, pneumonia or consumption. Cure your cold while you can. Chamberlain's Cough Remedy has a great reputation. It is relied upon by thousands of people and never disappoints them. Try it. It only costs a quarter. Obtainable everywhere.—Adv.

"DID NOT ROB CHURCHES"; NOT TOO PROUD TO FIGHT

(Special to the Yuma Daily Examiner.)
PHOENIX, Ariz., Nov. 2.—The Republican meeting at Phoenix, Tuesday night was held in the High School Auditorium. On one side of the stage was a large bust of George Washington, "The Father of His Country;" on the other side of the stage was a life-sized bust of Abraham Lincoln. Beside the bust of Washington was a card containing these words, "We Did Not Rob the Churches." By the bust of Lincoln was another card, on which these words were printed, "We Were Not Too Proud to Fight."
